

# Notification from Kadoma Terminal Hotel

## Our response to the prevention of Covid-19's infection.

- All employees have taken their temperature before engagement.
- There is a disinfection liquid set on at the reception.
- Public parts (button of elevator, door knob etc.) have been disinfected regularly.
- All room supplies absolutely have been disinfected at the room cleaning.
- Unfortunately, our buffet breakfast is temporary suspension.

but we still serve a breakfast which has been set on a plate in advance.

## We request your cooperation.

- Please use disinfectant before step in.
- Please put on a mask in a public space(elevator, reception, corridor etc.)
- Taking every guest's temperature before check-in, furthermore ask for understanding and cooperating that long stay guest must do it every day.

We would like to express a sincere gratitude for your cooperation.
